

PORA WEBINAR SERIES

Who Gets a Cochlear Implant in the UK? Candidacy, Access and Future Opportunities

Prof. Helen Cullington, University of Southampton

Welcome to your PORA Webinar

26 October 2026

6:00 PM CET

Sponsor

Key Topics & Core Concepts

- An overview of current cochlear implant candidacy criteria and public funding in the United Kingdom
- The relationship between clinical benefit, eligibility criteria, and access to cochlear implantation
- Limitations of strict candidacy criteria and areas where eligibility may remain conservative
- Emerging evidence and its potential impact on future cochlear implant provision
- Future opportunities for broader candidacy criteria
- The potential for wider access to bilateral cochlear implantation for adults

Featured Lecturer

Helen Cullington, is an audiologist, researcher, and Professor of Cochlear Implants at the University of Southampton Auditory Implant Service in the United Kingdom. She is the former Chair of the British Cochlear Implant Group and Editor-in-Chief of the journal Cochlear Implants International.

To change the slide format or aspect ratio in Google Slides:

1. Open your presentation in Google Slides.¹
2. Click **File** and select **Page setup**.¹
3. Click the dropdown menu to select a preset aspect ratio (such as Standard 4:3 or Widescreen 16:9) or choose **Custom** to enter specific dimensions.¹²
4. Click **Apply**.
